# News Brevities MARKET EASIER;

lieved But Stocks Make Little Progress

Note-Quantilens reflect closing sales ruesday, Feb. 17.

New York, Feb. 17.—The market was reHered today from the pressure directed
against it during the presceding season, but
made little progress toward recovering the
losses then inflicted. The tone was steady
throughout the forenoon, but speculative
buying was limited, and its inflicence was
multified by renewed weakness in New
Haven and profit taking in specialties which
recently and been strong.

For a time prices moved upward slowly,
but offerings at higher figures were not
well taken. Some of the specialties made
good gains, but the railroad stocks once
more were inclined to lag behind. The
movement as a whole was insignificant.

Fonds were steady.

Trainers took small profits and the reaction was accelerated by selling of Chessapeake & Ohlo, which fell isc. General Motors shares forged upward, the common
rising four and preferred 21s points.

Prices drifted tilly in the late session, but

Monday's Pressure Is Re- Stronger Quotations Abroad Responsible for Rise; Corn Follows.

Chicago, Ili. Feh II.—Higher quotations at European centers favored an advancing market today for wheat. Selling on the buige by professional speculators here caused only a temporary reaction. The strength of trans-Atlantic prices was considered especially significant as prevailing in the face of a substantial increase of the European wishin supply. The market in Chicago opened is to it to be up, and a brief dip showed a raily all around.

The close was steady at a not advance of it is in it to be.

Corn rose, impelied chiefly by the firmaces of what. The buils were also encouraged by an advance at Buenos Ayres. Opening prices were unchanged to its higher and there was a further gain.

The close was steady. It is it is above inst night.

Not much demand developed for outs. last night.

Not much demand developed for oats.

The market, however, sympathized with the upturn in other cereals.

Provisions were governed by the course of prices for home, initial steadiness being succeeded by a moderate setheck. First transactions varied from a shade off to an advance of 2 kc, with a later fall of 16c.
